Infection Control (2 Hours CE)

COVID-19 demands that we review, update, and fine tune our infection control knowledge, skills, and procedures. In this high-energy, memorable course, learn how to update existing infection control practices to meet the dental board and current CDC Guidelines.

Objectives:

- Understand how to incorporate the CDC Guidelines in your practice
- Learn how to achieve a culture of infection control and safety compliance through teamwork
- Identify resources for infection control and safety

California Dental Practice Act (2 Hours CE)

Attend this mandatory license renewal course for updates on current laws that affect dentistry. Topics will include scope of practice, violations of the dental practice act and attending regulations, citations, fines, license actions, mandatory reporter obligations, prescription writing regulations, license renewal requirements, and determining the legal use of utilizing dental auxiliaries.

Objectives:

- Understand scope of practice, violations and attending regulations
- Learn about new duties and settings and license renewal requirements
- List required postings for Dental Practices
